BLOG ALERT !

Practice nurses are too valuable to be overlooked any longer – Ann Gregory RN

Ann Gregory
Practice nurse in
Sheffield and clinical
nurse advisor at NHSX
08 Jan 2021

Throughout the Covid-19 pandemic, the general practice nurse has provided face-to-face, frontline care for their patients. We have been delivering life-saving screening, chronic disease care, contraception and immunisation services, as well as planning and advising colleagues on safe practice, infection prevention and control, and supporting our patients well being....

Shiny Mind - Questions to guide us through 2021

Before you speak, let your words pass through 3 gates...

At the first gate, ask yourself
-are they true?

At the second gate, ask yourself
-are they necessary?

At the third gate, ask yourself
-are they kind?

It is now more important than ever that we look out for each other, to help support your colleagues and friends and create a community of support for all of you, email hello@shinymind.co.uk to find out how the ShinyMind App can help you just like it's helping 40,000 other NHS staff through these difficult times. How has The ShinyMind App helped during COVID?"The last year has felt uncomfortable, raw and unfiltered. Enter the ShinyMind app, the pocket guru enabler that has made me realise that this year is also about growth, adapt, survive and thrive.

How has The ShinyMind App helped during COVID?
